

# LADY PSSTOL NETWORKS

ladypsstolnetworks.com

817-812-7243

Lady Psstol networks is a multimedia production company based in DFW. The CEO Princess Rockwell is a journalist who specializes in covering independent music artists in DFW and their journeys towards superstardom.

On the LPN Site you can find inspiring and engaging content through interviews, community coverage, and music. LPN's mission is to craft soulful, meaningful music that promotes integrity, inclusivity, and creativity. Visit the blog page to learn about local artists in DFW. Visit the store and grab merch, LPN's ebook on branding for artists or engage in the beginners course LPN has put together that helps artists with songwriting, legal, touring and much more.
